The data below represents the outcome of the October 2023 redeterminations, and illustrates the responses received during the original due date and the 30-day grace period flexibility that was provided to Illinois by federal CMS. The 30-day Grace Period Flexibility was implemented in June 2023 and will remain in place during the 12 Month PHE Unwinding Period: June 2023 - May 2024. This flexibility permits the delay of procedural terminations for one month (approx. 30 days) for customers who did not return their redetermination by their original due date.
