

PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING MEDICAL ASSISTANCE PAYMENT RATES STATE OF ILLINOIS DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

The Illinois Department of Healthcare and Family Services (HFS) is proposing a change in the methods and standards by which the Department will reimburse providers. The proposed change is effective for dates of service on or after January 1, 2022 and is addressed below.

Pursuant to [PA 102-0043](#), the Department is proposing to reimburse for long-acting injectable medications administered in the hospital inpatient psychiatric setting at the fee schedule rates established by the Department in addition to the hospital's psychiatric per diem rate.

These proposed changes will increase expenditures by approximately \$8.4 million annually based on current utilization patterns.

The proposed change is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
