

PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING
MEDICAL ASSISTANCE PAYMENT RATES

STATE OF ILLINOIS
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

Pursuant to [PA 102-0674](#), the Illinois Department of Healthcare and Family Services is proposing a change in the methods and standards by which the Department will reimburse providers. The proposed change is effective for dates of service on or after January 1, 2022.

The Department is proposing to increase the inpatient, per diem rate for general acute care hospitals that provide more than 9,500 inpatient psychiatric days annually to \$630 for inpatient psychiatric services. The increase is effective for dates of service on or after January 1, 2022.

The Department estimates this change will increase expenditures by \$2.7 million annually. The proposed change is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:

Bureau of Program and Policy Coordination
