June 23, 2026

**HFS**

Illinois Department of  
Healthcare and Family Services

## HFS' Guiding Principles

- Ensure the Illinois Medicaid program maintains the ability to **cover as many health care services as possible.**
- Ensure eligible **Illinoisans receive and maintain the coverage and benefits** for which they qualify.
- **Mitigate harm** as much as possible.

# HR1 Education Webinar Series: Goals and Objectives

- Equip our Providers and Partners with the education and tools necessary to assist our customers
- Assure that our Providers and Partners are sharing the same message as HFS and DHS
- Minimize the number of eligible customers who lose coverage

# HR 1 Education Series Module 2

## Agenda

- Non-Citizen Eligibility Changes
- Toolkit
- Finding Medical Coverage Category
- Resources

# Noncitizen Eligibility Policy Prior to 10/01/26

- The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) (Pub. L. 104-193), created a category of “qualified noncitizens” (e.g., lawful permanent residents (LPRs), refugees, asylees) to restrict broader eligibility for full Medicaid coverage.
- Other federal statutes required states to treat other categories of individuals (including certain victims of human trafficking, certain Afghan parolees, and certain Ukrainian parolees) as “refugees” and therefore as eligible for full Medicaid.

# Noncitizen Eligibility Policy Prior to 10/01/26 (continued)

- The Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA) (Pub. L. 111-3) authorized an option for states to provide full coverage to lawfully residing non-citizen children and pregnant people (often referred to as the “CHIPRA 214 option”).
- Illinois elected to include *all* non-citizen children and pregnant people through state funding.
- HR1 did not amend either the PRWORA provision related to the bar or the CHIPRA 214 option.

# HR1-Specific Eligibility Changes

October 1, 2026

**Eliminates federal match for certain previously eligible immigrant statuses such as refugees, asylees, and victims of trafficking, among others by:**

- Narrowing the definition of “ those noncitizens eligible for federal medical benefits” – to:
  - Lawful permanent residents over 5 years or exempt from the 5-year bar,
  - certain Cuban/Haitian immigrants, and
  - individuals living in the U.S. through a Compact of Free Association (COFA), People from the Federated States of Micronesia, Republic of the Marshall Islands, or Republic of Palau who live and work in the United States under Compacts of Free Association (COFA).

# HR1-Specific Eligibility Changes (continued)

This means that many noncitizens who have long been eligible for federally matched Medicaid are losing coverage, including:

- Refugees
- Asylees
- Humanitarian parolees (including Ukrainian & Afghan parole programs)
- Trafficking survivors
- Amerasian immigrants not adjusted to LPR
- Conditional entrants
- Domestic violence victims
- American Indians born in Canada
- Alien whose deportation is withheld

# What is NOT Changing

## Noncitizen programs that remain unchanged:

- All Kids and Moms & Babies: Coverage for pregnant women and children under CHIPRA 214 is not changed.
- State-funded programs:
  - Asylum Applicants and Torture Victims (AATV)
  - Victims of Trafficking , Torture or Other Serious Crimes (VTTC) now AATV
  - Violence Against Women Act (VAWA) petitioners
  - Coverage for current HBIS enrollees
  - State funded kidney/renal coverage

# AATV Inclusion:

As of January 1, 2026, the Asylum Applicants and Torture Victims (AATV) statute, 305 ILCS 5/16-2(14), incorporates the following noncitizen populations:

- Individuals receiving services through a federally funded torture treatment center
- Individuals who have filed for a T Visa, a U Visa, or Asylum
- Individuals who have an appeal pending regarding a T Visa, a U Visa, or Asylum application
- Individuals who have obtained their U Visa
- Individuals who have filed an application as a derivative family member or are included as a derivative family member in an application for a T Visa, a U Visa, or asylum of said applicants

Illinois Department of  
Healthcare and Family Services

# What is NOT Changing for Legal Permanent Residents

Many qualified noncitizens are subject to a five-year waiting period before becoming eligible for full Medicaid or CHIP benefits, however some noncitizens are exempted from the five-year waiting period. LPRs that are exempt from the five-year waiting period include:

- Child receiving foster care or adoption assistance
- Individuals admitted as an Amerasian immigrant
- Individuals granted Iraqi or Afghan special immigrant status
- Lawfully residing children or pregnant individuals
- Asylees and refugees
- Cuban/Haitian entrants and COFA migrants
- Victims of trafficking and their spouse, child, sibling, or parent or individuals with a pending application for a victim of trafficking visa
- Individuals granted withholding of deportation
- Member of a federally recognized Indian tribe or American Indian born in Canada
- Veterans or active-duty military and their spouses or unmarried dependents who also have “qualified non-citizen” status

# Emergency Medicaid: Who is Eligible?

Non-citizens who do not meet the federal qualifying Medicaid criteria for non-citizen status and:

- Are aged 19 and older
- Meet residency and income factors of Medicaid eligibility

Covers Emergency Medical services delivered in a hospital setting as a result of a medical condition that is severe enough to result in:

- Placing health in serious jeopardy;
- Serious impairments to bodily functions; or
- Serious dysfunction of any organ or part.

# Marketplace Changes

- Beginning January 1, 2026, immigrant populations under 100% FPL are no longer eligible for premium tax credits (PTCs).
- Beginning January 1, 2027, PTCs will only be available to lawful permanent residents, certain Cuban/Haitian immigrants, and individuals living in the U.S. through COFA, for immigrants with income at or above 100% of the FPL.
- All populations can continue to access the Marketplace.

# Determine Eligibility for Full Medicaid and CHIP Benefits

When determining eligibility for applicants and current beneficiaries who are not FFP-eligible noncitizens, states must evaluate whether an individual is eligible for full Medicaid or CHIP on any basis under the state plan, including under the CHIPRA 214 option (if elected).

## For CHIPRA 214 Eligible Noncitizens

- For applicants who are not FFP-eligible noncitizens but are lawfully residing children or pregnant women (e.g., refugees) and meet all other state eligibility requirements, the state must determine them eligible for full Medicaid or CHIP benefits under the state's CHIPRA 214 option.
- For current beneficiaries eligible for full Medicaid or CHIP under the state's CHIPRA 214 option, the state must maintain full Medicaid or CHIP benefits for such beneficiaries.

## For Non-CHIPRA 214 Eligible Noncitizens

- For applicants and beneficiaries who are not FFP eligible noncitizens and are not eligible for full Medicaid benefits under the CHIPRA 214 option, FFP remains available in Medicaid for emergency Medicaid coverage after October 1, 2026.

# Implementation Requirements: Review of Eligibility of Current Medicaid and CHIP Beneficiaries by October 1, 2026

## Identify all potentially affected beneficiaries

Potentially affected beneficiaries include all those receiving full Medicaid or CHIP benefits whose immigration status or category is not LPR, Cuban/Haitian entrant, or COFA migrant, or are not lawfully residing children or pregnant women in states that have elected the CHIPRA 214 option.

## Redetermine eligibility based on available information

States must attempt to reverify if beneficiary continues to have a satisfactory immigration status through electronic data sources (i.e., DHS's SAVE program) before attempting to contact the beneficiary.

## Request additional information, if needed

If the state is unable to verify satisfactory immigration status electronically, the state must request information from the beneficiary.<sup>1</sup> If beneficiary responds with a new declaration of satisfactory immigration status and the state is unable to verify such status, provide a 90-day reasonable opportunity period (ROP).<sup>2</sup>

## Determine eligibility for full Medicaid or CHIP benefits

If the state verifies that the beneficiary continues to have a satisfactory immigration status, beneficiary retains coverage.

If information or documentation provided demonstrates the individual no longer has FFP-eligible noncitizen status, or if they do not respond within the time specified, the state must consider all bases of eligibility, such as under a state's election of the CHIPRA 214 option, and emergency Medicaid coverage and terminate if not eligible on another basis.

## Provide Notice

HFS

Illinois Department of  
Healthcare and Family Services

# Notice to Non-Citizen Groups

After the state reviews an individual's eligibility for full Medicaid or CHIP benefits, the state provides notice:

- If an individual is determined to remain eligible, the state will notify the beneficiary that they continue to be eligible for the coverage in which they are enrolled.
- If an individual no longer has satisfactory immigration status for full Medicaid or CHIP benefits or does not respond within the timeframe specified, the state will provide advance notice of adverse action, including the right to a Medicaid fair hearing or CHIP review before terminating coverage or reducing benefits.

Illinois will first send an informational notice about upcoming changes at the end of June. Notices to the affected non-citizen population will be sent in August.

# Sample Customer Notice

This is a sample of the letter (not final) that will go out in June. This is an informational letter and not targeted to the population that will lose coverage.

## Important Notice about Your Medical Benefits Federal Law Changes May Affect You and Your Family.

June 1, 2026

Dear Customer,

Federal law changes will end Medicaid eligibility for many noncitizens starting October 1, 2026.

### What to do:

#### Update Your Address and Immigration Status So We Can Keep You Informed About Benefits Changes that May Impact You

1. Check that we have your correct home address, phone number and e-mail.
2. For anyone receiving benefits, make sure we have their **current** immigration status, and provide any documentation of updates.

You can review and update your information through:

- ABE Manage My Case: <https://abe.illinois.gov/access/>,
- By going to your local Family and Community Resource Center,
- By calling the All Kids Unit toll-free at 1-877-805-5312 (TTY: 1-877-204-1012), or
- If you need help with this, contact an Immigrant Resource Program at 1-855-435-7693.

# HR 1 Non-Citizen Toolkit

## **Objective:**

Provide clear, easy-to-understand information to help non-citizen customers prepare for Medicaid changes on October 1, 2026. This toolkit will explain who may be affected, who will remain eligible, how to update contact information, and where to find other coverage options if Medicaid ends.

## **Audience:**

Including but not limited to refugees, asylees, humanitarian parolees, and survivors of trafficking or domestic violence.

## **Toolkit Items:**

- Flyer
- Palm Card
- Social Media Content
- Newsletter/Article
- Text Message Language
- Email/Letter Language

# How You Can Help

## Stakeholders & Advocates

- **Identify community members who may lose coverage**, including refugees, asylum seekers, parolees, and survivors of trafficking or domestic violence. Make a plan to integrate this toolkit into your regular communications with affected Medicaid customers.
- **Remind pregnant patients** they may still qualify for other Medicaid programs. HFS will send personalized notices about any changes. Members can call **1-877-805-5312** to apply or confirm coverage.
- **Verify customer contact information** at every visit. Ensure customers update their address and immigration status on file with HFS so we can keep customers informed about benefits changes that may impact them.
  - Check that we have the correct home address, phone number and e-mail.
  - For anyone receiving benefits, make sure we have their current immigration status, and provide any documentation of updates.
- **Post flyers and distribute palm cards** at check-in or reception. Include palm cards in food bank bags or other distributions. Share the toolkit messaging and graphics on social media.

## MEDICAID RULES ARE CHANGING

Medicaid eligibility for noncitizens is changing, effective October 1, 2026.

**A new federal law (HR1) is changing who qualifies for Medicaid.**

You may also know Illinois Medicaid by names like All Kids, Aetna, BlueCross BlueShield, CountyCare, Meridian or Molina.

**Some noncitizens may lose coverage starting October 1, 2026.**

**Here's what is changing:**

Some non-citizens, including but not limited to **refugees, asylees, humanitarian parolees, and survivors of trafficking or domestic violence will no longer qualify for federally-funded Medicaid.** Individuals in these groups may still receive Emergency Medicaid, but not regular full-scope benefits.

**The following groups will remain eligible:**

- Naturalized Citizens
- Lawful permanent residents who meet or are exempt from the 5-year eligibility bar
- Certain Cuban and Haitian entrants
- COFA migrants (from Marshall Islands, Micronesia or Palau)
- Children under 19 years old and pregnant people
- Individuals enrolled in a state-funded program including AATV, VTTC, and HBIS

**What to do now:**

- **Update your contact information at [abe.illinois.gov](http://abe.illinois.gov)** so HFS can reach you.
- **Watch your mail.** HFS will send you a personalized notice if you are affected.
- **Prepare before October 1, 2026.** Schedule appointments and refill prescriptions.
- **If you are notified that you lost coverage, look for another health plan.** Visit [GetCoveredIllinois.gov](http://GetCoveredIllinois.gov), check employer plans, or call 1-877-805-5312 to find out what other options may be available.
