

**PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING
MEDICAL ASSISTANCE PAYMENT RATES
STATE OF ILLINOIS
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES**

Date: April 10, 2026

The Illinois Department of Healthcare and Family Services (HFS) is proposing a change in the methods and standards by which the Department will reimburse providers. The proposed change is effective for dates of service on or after April 11, 2026.

The Department is proposing to change how frequently it updates the Diagnosis-Related Group (DRG) and the Enhanced Ambulatory Patient Groups (EAPG) grouping software from every 3 years to every 4 years to align with state law. Grouping software is utilized by the Department to price hospital inpatient and outpatient claims. The Department is also proposing to make corresponding technical changes to update the name of the grouping software utilized from 3M to Solventum.

This proposed change is not anticipated to have a direct impact on Medicaid program liability. The proposed change is subject to approval by the federal Centers for Medicare & Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. Comments received regarding this notice shall be published on the HFS web site at <https://hfs.illinois.gov/info/legal/publicnotices.html>. It is recommended to include the name of the public notice in the subject line. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
