Grant Portal, Agreement and Reporting

- HFS COVID-19 Grant Portal (the Grant Portal) is used for award communication and document transfers
- Awardees receive and return the grant agreement through the portal
- Future communications will include notifications, information and templates for required reporting
- The Grant Portal can be found at <https://caresapp.hfs.illinois.gov/>

Key reminders

- Notifications through the portal are delivered to the account user of record. Should a change be required, you can submit a request through the portal, to HFS directly, or via the call center support line.
- Technical assistance regarding the use of the portal can be directed to the call center support line.
- Other questions regarding the grant agreement, reporting requirements, etc., can be posted to the portal, sent to HFS directly, or submitted to the call center support line who will direct your question to the appropriate team member for resolution.
