What is your Familiarity with CCBHCs ?

SUMMARIZED THEMES FROM SURVEY FEEDBACK BY CATEGORY

CCBHC Demonstration Requirements Feedback

- Requirements should have **variabilities to reflect the needs of the community** and account for the differences between rural and urban environments*
- Request for information about available **funding for providers in the demonstration**
- Create a high-level **CCBHC updates webpage**
- The advisory committee needs to be able to **give feedback on requirements** that can be implemented

**repeated theme*

Peer-Related Feedback

- Consumer/client/customer feedback needs to be **collected by people who are in recovery** to ensure integrity
- Have **peer entities provide training** and technical assistance for CCBHCs
- Throughout these meetings, make sure to continue to **distinguish peers employed by treatment providers and peer-run organizations**
- CCBHCs should establish **consumer advisory councils** (referred to as: customer satisfaction councils)

Other Feedback

- The state needs to clarify the **relationship between crisis programs** (e.g. CESSA, 988, CCBHCs, MCR, Pathways, Children's BH transformation)
- Have **current SAMHSA CCBHC providers present** to the advisory committee about their experiences with implementation
- There should be **technical assistance and financial supports developed** based on feedback from providers and community

Meeting Structure Feedback

- Compensate consumer participants (who are not being paid by an employer)
- Requests for **Additional Meetings**:
 - Have monthly meetings*
 - Have an additional meeting series that focuses on learning about specific operations of CCBHC requirements from fellow CCBHCs
 - Create sub-groups based on geographic regions about how to best design a continuum that fits a shared community or region
- The **committee is a large group**, we need to make sure we can hear from everyone. Ideas to help this include: using chat and breakout rooms, sending questions in advance,* and incorporating more time for discussion

**repeated theme*
