PRESENCE ST MARYS HOSPITAL
ATTN: Chief Executive Officer
500 West Court Street
Kankakee, IL 60901

Dear Chief Executive Officer:

The annual determination for the disproportionate share hospital (DSH), Medicaid high volume (MHVA), and Medicaid percentage (MPA) adjustment programs has been finalized for rate year 2022 (October 1, 2021 through September 30, 2022).

A hospital may be eligible for all three programs (DSH, MPA and MHVA), eligible for only two programs (MPA/MHVA eligible) or ineligible for all three programs. There are two qualifying criteria for DSH eligibility, and six qualifying criteria for MPA/MHVA.

DSH, MPA and MHVA will all pay on a date of service basis not by admission date. For example if your hospital was eligible for DSH, MPA and /or MHVA for rate year 2021 (October 1, 2020 through September 30, 2021) and eligible in rate year 2022 (October 1, 2021 through September 30, 2022) and an admission crosses that period you will get different rates. If your hospital was eligible for DSH, MPA and /or MHVA for rate year 2021 (October 1, 2020 through September 30, 2021) and not eligible in rate year 2022 (October 1, 2021 through September 30, 2022) and an admission crosses that period you will only receive payment for dates of service until September 30, 2021. If your hospital was ineligible for DSH, MPA and /or MHVA for rate year 2021 (October 1, 2020 through September 30, 2021) and eligible in rate year 2022 (October 1, 2021 through September 30, 2022) and an admission crosses that period you will receive payment for dates of service October 1, 2021 and after.

Your hospital has been determined to be eligible to receive payments under the MHVA and MPA programs in rate year 2022. Your facility qualifies for Disproportionate Share status in accordance with 89 IL Adm. Code 148.120, but due to projected payments from the Department, it appears that the payments will exceed your cost of services for those receiving medical assistance or having no health insurance. As a result, your Disproportionate Share Funds will be reduced pursuant to section 1923(g) of the Social Security Act, to be in compliance with sections 1923(c) of that Act. Therefore, your Disproportionate Share rate will be reduced to \$0.00.

Appeals must be made in accordance with Section 148.310(b) and (f) of the *89 Illinois Administrative Code*.

All appeals must be made in writing no later than THIRTY (30) DAYS FROM THE DATE OF THIS LETTER.

For Rate Year 2022, appeals MUST BE SUBMITTED IN WRITING AND MUST BE RECEIVED OR POSTMARKED NO LATER THAN WEDNESDAY, OCTOBER 20, 2021. The Department will NOT ACCEPT hospital logs as supporting documentation for appeals.

Direct all appeals and supporting documentation to:
