PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING MEDICAL ASSISTANCE PAYMENT RATES

STATE OF ILLINOIS DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES

The Illinois Department of Healthcare and Family Services (HFS) is proposing a change in the methods and standards for setting payment rates for dental sedation services. The proposed change is effective for dates of service April 1, 2022 and after.

The proposed change provides for an increase in the Medicaid reimbursement rates. The reimbursement rate will increase effective April 1, 2022 as follows:

Nitrous Oxide Analgesia D9230 \$70

This proposed change will result in an annual increase in Medicaid liability of \$2.3 million for services provided through fee-for-service or through managed care organizations. The proposed change is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:

Bureau of Program and Policy Coordination Division of Medical Programs Healthcare and Family Services 201 South Grand Avenue East Springfield, IL 62763-0001
