

Illinois Department of Healthcare and Family Services

Fee Schedule For Licensed Pharmacists

Updated 08/09/2023

Effective Dates:

08/01/2022 - Contraceptive Assessment & Consultation Services

01/01/2023 - HIV Pre- and Post-Exposure Prophylaxis Assessment & Consultation Services

This fee schedule is applicable to services rendered by a Licensed Pharmacists. Payable services are limited to contraceptive assessment & consultation services, and HIV pre- and -post exposure prophylaxis assessment & consultation services.

Please note that the appearance of a code on this fee schedule does not guarantee payment. Services for which medical necessity is not clearly established are not covered in the Department's Medical Programs. See Chapter 100, Topic 104 and Chapter A-200, Section 204 for additional exclusions.

CPT codes and descriptions only are copyrighted by the American Medical Association. All Rights Reserved. Applicable FARS/DFARS apply. National Correct Coding Institute (NCCI) procedure-to-procedure and medically unlikely edits apply.

Pharmacists must be enrolled with Category of Service 103, as seen on their Provider Information Sheet, in order to bill for contraceptive assessment and consultation services in the 837P format. Pharmacists must be enrolled with Category of Service 132, as seen on their Provider Information Sheet, in order to bill for HIV pre- and post-exposure prophylaxis assessment and consultation services in the 837P format.

***NOTE: All contraceptive assessment and consultation services must be billed with modifier 'FP' to denote a family planning service and distinguish those services from HIV assessment and consultation services.**

HIV pre- and post-exposure prophylaxis assessment and consultation services must be billed without a modifier.
