

**PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING
MEDICAL ASSISTANCE PAYMENT RATES**

**STATE OF ILLINOIS
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES**

The Illinois Department of Healthcare and Family Services is proposing to add a new eligibility group for which providers can receive reimbursement. The proposed changes are effective for dates of service on or after November 30, 2022.

Pursuant to [Public Act 102-0665](#), the Department is requesting federal authority to provide a partial benefit package of family planning and family planning-related services to enrollees in a new family planning eligibility group effective November 30, 2022. Individuals whose income is at or below 208% of the federal poverty level could be eligible for these services.

The Department estimates this change to increase expenditures by \$5 million annually. The proposed change is subject to approval by the federal Centers for Medicare and Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
