Informational Notice

Date: July 30, 2025

To: Enrolled Dental Providers

Re: 2025-2026 All Kids School-Based Dental Program

This notice informs dental providers that the All-Kids School-Based Dental Program will run from August 30, 2025, through July 31, 2026.

The Illinois Department of Healthcare and Family Services (HFS) and Illinois Department of Public Health (IDPH) will be jointly hosting two mandatory informational conference calls on August 19th, 2025. All school providers and public health hygienists who will be rendering services in the school setting during the 2025-2026 school year are required to participate in one of the conference calls (either morning or afternoon session) on that day.

Both conference calls will review all requirements of the All-Kids School-Based Dental Program for this school year. Failure to participate or complete all requirements of the program may result in non-payment of services.
