Medicaid Provider ID:	0			
CNA Incentive Period Begin:	1/1/2025			
CNA Incentive Period End:	3/31/2025			

Due Date: 01/02/2025

Please download a copy of the spreadsheet to your computer. Update it accordingly. Please do not change or alter the name of the document from the format it is in. **File names should remain in the following format with the word "FINAL" added to the end when it is completed and reuploaded:**

123456789001_cnalist_202501_FINAL. Upload the completed copy to the facility folder located at <u>https://ilgov.sharepoint.com/sites/hfs-ltc-exchange/</u>

Be advised that **HFS** uploaded files will only be available through the end of the Fiscal Year Quarter 3 (03/31/25). Files must be removed for tracking and to maintain file storage threshold limits. **Please be sure to login and obtain your copy of the spreadsheet from the site prior to the due date 01/02/2025.** Previous quarter files can be made available upon request to <u>HFS.LTC.CNAInitiative@Illinois.gov</u>.

CNA Initiative Program Changes

Fiscal Year 2025 encompasses more stringent deadlines for submission to facilitate payments in a timely fashion. HFS will adhere to a quarterly payment schedule; therefore, HFS has hard submission deadlines in place. If a provider misses the deadline for the current quarter, their submission will be held for processing until the following quarter.

Our goal is to process payments the last week of the quarter, so payments can be received the beginning of the following quarter. Therefore, MCOs and providers should receive quarterly payments the first week of following quarter.

An email has been established that is dedicated to the CNA Initiative Program. Please use <u>HFS.LTC.CNAInitiative@Illinois.gov</u> for all inquiries beginning 07/01/24.

Nursing Facilities that undergo a change of ownership (CHOW):

Please email <u>HFS.LTC.CNAInitiative@Illinois.gov</u> to receive instructions to initiate the transition from the previous ownership to current ownership.

All Change of Ownerships (CHOW) require a list of new users for SharePoint and new payee information for the Managed Care Plans including a new direct deposit form, W9 (Version 2018 or above), and a bank letter or cancelled check. New ownership will also need to provide a current enrollment form for the program.

Status Drop-down: SharePoint files are currently posted as 'New' status. Beginning with Quarter 1 of Fiscal Year 2025, once a spreadsheet is posted by the facility and pulled by HFS staff, the status of the original document will be updated to 'Moved to HFS Internal Files'. This will serve as the facility's notification of the status of the spreadsheet and confirm receipt on HFS's end. Spreadsheets submitted after the due date will be held until the following quarter for processing and will be given a status of "**In Progress**". Once the new spreadsheets are available, all pending spreadsheets will be pulled and removed for processing with the next quarter batch. Payments for late spreadsheets will be processed with the next quarter payments.

Payment Inquiries:

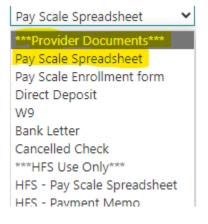

All payment inquiries must include the following information:

- Building ID Code
- Provider Number or NPI
- HFS Fiscal Year Quarter in question
- Payment Amount
- Payor (HFS or MCO)
- Program (CNA or Quality Incentive)

CNA Inquiries should be sent to <u>HFS.LTC.CNAInitiative@Illinois.gov</u>.

Useful Tips:

Uploads to SharePoint require a document type and quarter to be selected from a drop-down box. Please select documents that are marked **Provider Use**.

Document types **preceded with an HFS acronym** are for internal use only. Please note that if you only update the spreadsheet as it is on the site, we do not know when it is completed, or that it is any different than the original upload. It is imperative to download a copy to your computer so that you can be prompted to select a document type and quarter when uploading the final copy. Please add the word "Final" to the completed spreadsheet before uploading. No other changes to the file name should be added or made.

In addition to a document type, you will be required to select a quarter. The quarter we are referencing is the HFS Quarter per the Fiscal Year – Not the PBJ quarter (see page 1 of this memo for information on how to make this determination). The quarter selection is part of how documents are pulled from the site for processing. Entering the incorrect quarter could result in pulling the wrong quarter, or not pulling the document at all because we are not pulling for the quarter selected.

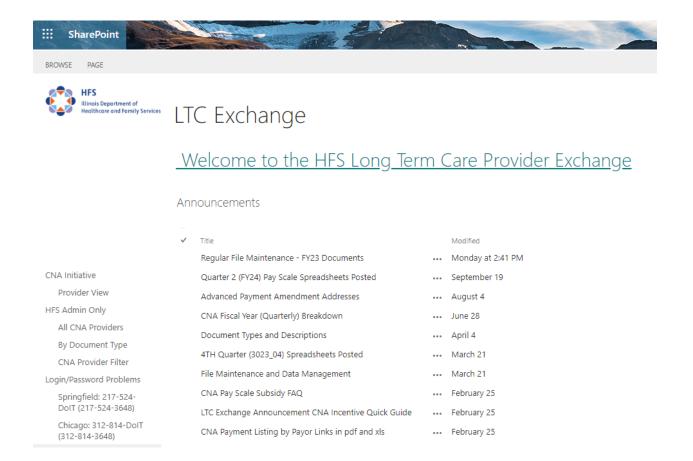

IMPORTANT: If either of the above steps are missed, the document will remain checked out to the person that uploaded it. Documents in a checked-out status cannot be viewed by anyone else and cannot be pulled from the site for processing. The person uploading must always select the document type and quarter, then click Check In.

Failing to follow these steps could result in payment delays due to lost or missing files.

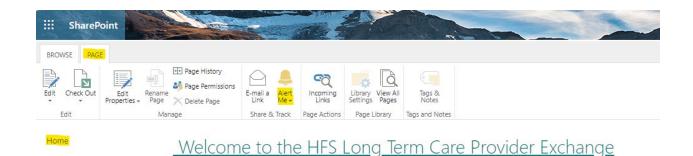

SharePoint Notifications:

The SharePoint Home page contains Announcements and other useful information. You can view any of the notifications found on this page as a SharePoint user. You can also receive notifications when this section of the site is updated.

To receive SharePoint notifications, login to SharePoint and navigate to the home page. Then click "Page" located at the top left of the webpage. Once the menu opens, click on Alert Me, then click on set an Alert on this Page:

The notification window will allow the user to select notification settings. Notifications will be sent directly from SharePoint to the user based on these selections. The notifications setting is available in the facility folders as well. You can set up notifications to be alerted anytime there is activity in the folder.
