

CORRECTION:

The [IHH Billing, Claiming and Payment Slide Presentation](#) on the Integrated Health Homes webpage instructed IHH enrollees to use an incorrect taxonomy code. The correct code for an Integrated Health Home is **251B00000X**. The code presented in the slide presentation is a code used for an individual case manager/care coordinator.

For agencies - Case Management - **251B00000X**

For individuals - Case Manager/Care Coordinator - **171M00000X**
