Choosing a HealthChoice Illinois Plan

Choosing the plan that best meets your health care needs is important. Here are some questions to ask before you pick a plan:

- Have you read all of the materials that were included in this enrollment packet?
- Which plans have the extra services you want? (See Your Health Plan Choices that came with this packet.)
- How did the plans rate in each area on the front of this report card? Do the doctors in the plan I like communicate with their members?
 - Do the members in the plan I like get care when they need it?
 - Do women get the care they need?
 - Do members with behavioral health conditions get the care they need?
 - Do kids get the care they need to stay healthy?
- Which plans have the doctors, clinics, hospitals, specialists, long term care waiver service providers, and other providers you use? Call your providers to find out which HealthChoice Illinois plans they accept.
- Do you need providers that speak a certain language?
- How far do you want to travel to see your providers?
- Which plans have co-pays?
- Did the plan receive any sanctions from the state?
