

Your ILogin & ABE User Account

CREATE. CONNECT. CHOOSE.

Creating an ILogin Account and ABE Profile is a 3-step process: **Create, Connect, and Choose**. This is an improved process that requires Multi-factor Authentication (MFA). It is more secure and protects your private information while also offering an easier way to change passwords.

CREATE your ILogin:

1. From the **ABE Homepage**, select the **Apply for Benefits** or the **Manage My Case** button in the middle of the page.
2. Select **Create an ILOGIN Account** I do not have an ILogin account with state of Illinois and press **Next**. If you do not want to create an email account, you can still click the **“Apply for Benefits without an Account”** link or apply in person, by paper or by phone.
3. Complete the **ILogin** account creation.
 - Enter your **Email** and **Name** and choose a **Password** and press **Sign Up**.
 - Verify with email and return to ILogin
 - Choose the security option that works best for you. Mobile or home phone, security question, or another phone application.
 - Press **Continue** to complete the log in process and be redirected to **Connect your ABE Profile**.

A screenshot of the "ABE Access" web interface. The main content area has a white background with a blue header. It contains three radio button options: "Create an ILogin Account I do not have an ILogin account with state of Illinois.", "Connect an ABE Profile I am a first-time or existing ABE user and I have an ILogin Account", and "ABE Sign In I have an ILogin account and connected my ABE profile". To the right, a blue sidebar lists benefits of having an account: "Apply for more benefits or renew benefits", "Update your contact or household information", "Sign up for electronic notification", "File and manage appeals", and "Review notices about your case". Below this list is a button labeled "Apply for benefits without an Account". At the bottom of the main area are "Exit" and "Next" buttons. A separate white box on the right asks "Apply for benefits without an Account?" and lists reasons to create an account: "Save your application progress", "Return to your application later", "Return to see the status of your application", and "Upload proof documents". It includes a "Create an ILogin Account" button and a link for "Apply for benefits without an Account".

Scan this code to visit the link for full details about ILogin Account creation or to submit an application without an account.

Healthcare and Family Services

CONNECT your ABE Profile:

1. After returning to ABE, select **Connect an ABE Profile**, then press **Next**.
 - If you already have an ABE Account, enter your **User ID** and **password** and choose **Next**.
 - If you do not have a User ID or password or cannot remember it, select the **blue link** that says: **I have never had or cannot remember my ABE login information**.

Connect an ABE Profile

Enter your current ABE user ID and password :

• User ID

• Password

Next

[I have never had or cannot remember my ABE login information](#)

2. "Success!" Message displays, choose Next.

Connect an ABE Profile

Success! Your ILogin Account **Testy12@mailinator.com** is connected to ABE.

Next

CHOOSE your ABE Path:

1. Determine what you want to do in ABE and choose **Next**.

Apply For Benefits

Welcome! Please click one of the buttons to tell us what you would like to do. Then click the Next button at the bottom of the page.

Start a new application for Health care coverage, SNAP, Cash Assistance, and/or Medicare Savings Program.
For most people, it will take approximately 30 minutes to fill out the application.

Keep working on an application that you have already started.

Check the status or view an application that you have already submitted.

Manage My Case

File or Manage an Appeal

As you apply for benefits, please do not use the Forward, Back or Stop buttons on your web browser to move from page to page. Instead, use the buttons on this website.

Note: You will be logged out after 15 minutes of inactivity.
If you have technical difficulties using this website, please [Report Technical Difficulties](#)
