

IMPROVING ABE SECURITY

ILOGIN

ILPARTNER

HFS

Illinois Department of
Healthcare and Family Services

Multi-Factor Implementation, 2024

Who will be affected?

- ABE Customers
- ABE Provider Portal users
- Integrated Eligibility System (IES) Provider users

Why are we changing?

- Improved protection of private information
- Easier account and password recovery
- Consistency across multiple state systems

Two Login Processes

- **Illinois Partner Tenant** - for ABE Provider Portal & IES Providers
- **ILogin** - for ABE Customers

ILPARTNER – for ABE Partners

How Will This Change Login?

- ILPartner requires the user ID to be an email account instead of a self-chosen user ID. Use of an email address as your user ID instead of a self-chosen ID, allows the user to reset or change their password when forgotten or compromised and eliminates the current process of creating multiple user IDs. Providers will be required to use their **work email** as the user ID for ABE.
- ILPartner is a 1 email = 1 account security process!
- Some ABE Provider Portal users may have multiple accounts due to forgotten passwords or secret questions, account malfunction, different locations, or different functionalities in ABE.
- All accounts will be merged into a single account even if you have different accounts for different functions. Users will now be allowed to choose multiple functions when creating a new account.

Authorized Representative

- If you are an Authorized Representative for multiple individual, you will need to create different emails for each individual if you will want to apply for benefits for them in the customer ABE portal. The email is only needed for login after initial authentication. You can also use the “No Account” Application submission.
- If you have an Application Agent provider portal account, you can submit many application using your single email account. You are still able to submit an Authorized Representative document for those applications in order to receive mail for those accounts.
- We are exploring enhancements to accommodate for Authorized Representatives managing multiple individuals.

Go-Live Day

- On the Go Live date for the new ILPartner login process, active ABE users, meaning those that have logged into the system within the last 6 months, received an email from the State of Illinois requiring them to begin the process of creating their new ILPartner account. This happened after hours on 9/27/24.

From	Subject	Received
<input type="checkbox"/> soi.no-reply@illinois.gov	IES Provider or ABE Provider ACTION REQUIRED: Complete your Legal Consent and email...	just now

- This email included an activation link with instructions on how to complete the ILPartner account creation. *The email link was valid for 7 days only!*
- After the initial *mass migration* of users, this process will be triggered when the Primary Agency Security Administrator (P)ASA at your organization sends a 1706P request to your HFS Liaison. The HFS Liaison will request account creation which will trigger the email to the end user.
- In 2025, we expect to launch a new request and tracking system called SecZetta.

Activation Link

The email received will have your User ID (work email) included. **A public domain email cannot be used for the ABE Provider Portal or the IES External Worker Portal.** Click on the Activate ILPartner Account link to begin account creation. New users will need to register in ABE after signing in with their ILPartner account. New users will need the organization provider ID number to complete the registration process.

The email link will be valid for 7 days only!

State of Illinois ILPartner Account

Hi R[REDACTED],

An ILPartner account has been created for you based on you needing access to a State of Illinois Agency App. Your username is [R\[REDACTED\]er@Illinois.gov](mailto:R[REDACTED]er@Illinois.gov)

You will need to complete the activation and configuration of your account via the activation link below.

When requested to setup your Multi-Factor Authentication (MFA), it is suggested you setup at least two authentication methods. If one is not available, you have the option to switch to another method without contacting the support team. Okta Verify is a

Click the following link to activate your account:

[Activate ILPartner Account](#)

This link expires in 7 days.

The State of Illinois ILPartner sign-in page is <https://ilpartner.illinois.gov>

If you experience difficulties accessing your account, please visit the [DoIT Report a Problem](#) page for assistance.

Already Have an ILPartner Account?

If you already have an ILPartner account, the ABE Application will be added to that account when a request is sent from HFS to the ILPartner Support Team. You will receive an email confirming that it has been added. If you are new to ABE, you will need to register in the ABE Provider Portal and be approved by an administrator to complete the ABE access process before completing tasks in ABE.

Welcome to the State of Illinois
ABE Provider application

Hi {{attribute.personal_first_name}},

You have been approved to access the ABE application via the State of Illinois ILPartner secure authentication service. We have identified you have an existing ILPartner account. Please use it to login and access the ABE Provider application.
Your username is: {{attribute.personal_email}}

You can proceed to the ABE Provider Portal to complete your registration using this link. https://hfs.illinois.gov/medicalproviders/abe_asa/asasubmit.html

If you experience difficulties accessing your ILPartner account, you can send a help request to your system administrator using the link:
<https://illinoisgov.okta.com/help/login>

This is an automatically generated message from State of Illinois. Replies are not monitored or answered.

Creating an ILPartner Account

First create a password using the criteria specified. Next you will select your MFA method for your IL Partner Account. It is best practice to create two MFA methods so if one fails or is not available, the other can be used.

- ✓ A lowercase letter
- ✓ An uppercase letter
- ✓ A number
- ✓ A symbol
- ✓ No parts of your username
- ✓ Does not include your first name
- ✓ Does not include your last name

Enter password

Re-enter password

- ✓ Passwords must match

Set up security methods

Security methods help protect your Okta account by ensuring only you have access.

Set up required

**Google Authenticator**

Enter a temporary code generated from the Google Authenticator app. Used for access

Set up →

**Okta Verify**

Okta Verify is an authenticator app, installed on your phone, used to prove your identity

Used for access or recovery

Set up →

**Phone**

Verify with a code sent to your phone

Used for access or recovery

Logging Into ABE

After creating their ILPartner Account, *migrated* users will log in to ABE using the second button, and then be taken to ILPartner to complete sign in.

ABE Provider Access

All Provider Portal users are required to create an IL Partner Account and register in ABE. If you do not have an IL Partner Account, talk with your organization Agency Security Administrator.

- ABE Provider Registration** I am a first time user and have an IL Partner Account
- ABE Provider Login** I have already completed registration and have an IL Partner Account

An ABE Provider Portal Account allows you to:

- ✓ Submit Report of Birth - Hospitals only
- ✓ Submit and check status of ABE applications
- ✓ Upload supporting documents for customers
- ✓ Submit MPE or FPPE applications

Account Complete!

- Once MFA methods have been chosen, the IL Partner account creation process is complete, and the ABE application is added to your IL Partner account. This IL Partner account can be used for other State of Illinois's applications that use IL Partner as a login method – such as IMPACT or IES, if you are using the same email. If you already have an ILPartner account using the same email, you will get a different activation email.
- To load organizations and new PASAs after the initial migration, the organization Primary Agency Security Administrator will need to submit the [Request for Primary Agency Security Administrator Approval](#) and complete a 1706P form, this will trigger the activation email to be sent.
- In the future we will be adding a new tracking system where requests will be submitted for *all* new users, and this is what will trigger ABE or IES account creation.

New ABE User Requests

- Complete the [1706P Form](#) when you want the ABE “chiclet” triggered for a new ABE user at your organization. Remember, new PASAs will still need to go to the ABE Provider Portal Registration page to complete the [Request for ABE Primary Agency Security Administrator Approval](#) . Once the HFS Global Security Administrator has approve the PASA, the PASA will be able to approve all of their new ABE users. The 1706P will *only trigger* the initiation of the ABE chiclet email, the user must create their ILPartner account and their ABE Account if they are new to ABE.
- Send the 1706P to:
 - Hospitals - Report of Birth: HFS.ABEpartnerportal@illinois.gov
 - Approved MPE/FPPE Provider with a current Agreement: HFS.MPE.FPproviders@illinois.gov
 - Approved Application Agents with a current Agreement: HFS.ApplicationAssisters@illinois.gov
 - LTC Providers: HFS.LTC-ABERequest@illinois.gov

The 1706P may first need to be downloaded and saved and then reopened in order to enter data!

New Users

After ILPartner account creation new users will choose ABE Provider Registration to finish their ABE Account creation.

ABE Provider Access

All Provider Portal users are required to create an IL Partner Account and register in ABE. If you do not have an IL Partner Account, talk with your organization Agency Security Administrator.

- ABE Provider Registration** I am a first time user and have an IL Partner Account
- ABE Provider Login** I have already completed registration and have an IL Partner Account

An ABE Provider Portal Account allows you to:

- ✓ Submit Report of Birth - Hospitals only
- ✓ Submit and check status of ABE applications
- ✓ Upload supporting documents for customers
- ✓ Submit MPE or FPPE applications

New Provider Portal User Registration

Section 1 - User Information

* First Name :

Middle Initial :

* Last Name :

* Date of Birth : Ex: mm/dd/yyyy

* Business Email Address :

* Address :

* City :

* State :

* Zip Code :

* Phone Number :

* I understand that state and federal laws require that information re: Eligibility or ABE programs be safeguarded from unauthorized use

* Please select the type of user that you are.

Hospital Providers

- I am a regular user for a provider that is certified to submit a Report of Birth.
- I am a regular user for a provider that is certified to submit Health Coverage applications.
- I am a regular user for a provider that is certified to submit Hospital Presumptive Eligibility (HPE) applications.
- I am a designated agency security administrator for a Hospital that is certified to submit a Report of Birth.

Medicaid Presumptive Eligibility Providers

- I am the designated agency security administrator for a provider that is certified to submit Medicaid Presumptive Eligibility (MPE) applications and Family Planning Presumptive Eligibility (FPPE) applications.
- I am a regular user for a provider that is certified to submit Medicaid Presumptive Eligibility (MPE) applications and Family Planning Presumptive Eligibility (FPPE) applications.

All Kids Providers

- I am the designated agency security administrator for a provider that is certified to submit ABE applications.

Section 2 - Organization Information

Please enter the Provider ID(s) associated with the privilege(s) you have selected above. In order to receive access to a provider location, you must enter a Provider ID that is assigned each of the privileges you have selected. If you need access to multiple Provider IDs, please enter the first ID and then click the 'Add' button to add another ID. If you add a box in error, please click the 'Delete' button to remove it. Your account will need to be approved by a Security Administrator. Once your account is approved, you can log back in and access the locations where you have been approved.

* Provider ID

to upload documents.

Troubleshooting

What if I let my email expire?

If you miss the activation seven-day window and your email verification link or account activation link no longer work, please contact [Report a Problem with ILogin](#)

What if I forget my username?

In ILPartner, your username is the email address you used during account creation. Your email will also show it.

What if I forgot my password?

During the ILPartner login process, expand the "Need Help?" and click on the "Forgot your password?" link. You will be asked to enter your current email address/Username and select a security option to verify your identity (SMS, Voice Call, or Email). The system will then prompt you for your new password. Once your new password has been accepted, you will perform the MFA method you chose and then you will be able to login.

[ILPartner Help Page](#)

[ILPartner/ILogin Help Desk](#)

After the transition [ILPartner/ILogin Help Desk](#) will be your access support for any login issues. Do NOT call the Help Desk – submit ticket via email.

An updates guide to ABE Manage My Case (MMC) will be available on LTSS and HFS Application Agent pages soon!

ILogin – for ABE Customers

ABE Customer Accounts

- Customer account creation will require an email as the User ID instead of a self-chosen ID.
- There are several email providers who offer free email accounts for those that may not have an email account. Please note that these providers are not partners with the State of Illinois, and email messages are not stored in State of Illinois systems.
 - Gmail: <https://www.google.com/gmail/about>
 - Yahoo Mail: <https://login.yahoo.com/account/create>
 - Microsoft Live Hotmail: <https://outlook.live.com/owa>

HFS

Illinois Department of
Healthcare and Family Services

Alternatives to Creating ILogin Accounts

Customers that do not want to create an email will have the option on ABE to submit an application without an account. This will be a single session application without the option to return at a later time or to upload support documents. This option would be similar to sending in an application.

Other options include:

- Referral to an [HFS Application Agent](#)
- Submission of a [paper application](#)
- Calling the ABE Customer Call Center at (800) 843-6154
- Going to a [Family Community Resource Center](#)

Customers must have an ILogin Account to use Manage My Case for account management. No matter the way an application is submitted, customers may **always** return to ABE later to create an ILogin and link their account to Manage My Case.

First time Login: ILogin and ABE

Initial access and setup will be a 3-step process: **Create, Connect, Choose**. **Create** and **Connect** is only required one time. Once the **Create** and **Connect** processes are complete, a returning user will **choose ABE Sign In**. To begin, click on **Create an ILOGIN Account** I do not have an ILogin account with State of Illinois.

ABE Access

The screenshot shows the ABE Access setup screen. On the left, a white box contains the text: "All users of abe.illinois.gov are required to create an ILogin account with State of Illinois and an ABE profile." Below this are three radio button options: "Create an ILogin Account I do not have an ILogin account with state of Illinois." (highlighted with an orange box), "Connect an ABE Profile I am a first-time or existing ABE user and I have an ILogin Account.", and "ABE Sign In I have an ILogin account and connected my ABE profile". At the bottom left of this box is a blue "Exit" button. To the right, a dark blue box contains the text: "An ILogin Account allows you to apply for and manage your SNAP, Cash and Medical Benefits." Below this are four checkmarks with text: "Apply for more benefits or renew benefits", "Update your contact or household information", "Sign up for electronic notification", and "File and manage appeals". Below these is a link "Apply for benefits without an Account" (highlighted with an orange box). At the bottom right of this box is a blue "Next" button. In the foreground, there are two white pop-up boxes. The one on the left contains red text: "The Apply for benefits without an Account process currently does not support Safari. Supported browsers include Google Chrome, Microsoft Edge and Mozilla Firefox." The one on the right contains the text: "Apply for benefits without an Account?" followed by "We recommend creating an ILogin Account so you may:" and a bulleted list: "Save your application progress.", "Return to your application later.", "Return to see the status of your application.", and "Upload proof documents." Below the list is a blue button "Create an ILogin Account" and a link "Apply for benefits without an Account".

3. Click on link in email - good for 7 days

Choosing Security Method

The 4th and final step to setting up an ILogin Account is to choose your Multi-Factor Authentication Security Method. Setting up two methods is recommended but not required. Methods that can be chosen are:

- a) Google Authenticator
- b) Okta Verify
- c) Phone – mobile call or text, or call to a landline
- d) Security Question – new option, only available to customers, not Providers*

*Security Question will not be accepted at other state sites as an acceptable security method – customers will be prompted to create a different method.

Healthcare and Family Services

Questions from the Field on No Account Application

- **Where does the Application go?**
- The Applications will be sorted by address and zip code and drop into the appropriate office Caseworker queue as if it were a paper application.
- **Is there tracking?**
- Yes, though not a “T” Number as given for a standard ABE application. The number will start with AS, for example AS75aae5a323saa. Lookup will be easier by name, Dob, etc.
- **Will it be handled as quickly as other ABE submissions?**
- Yes, same rules will apply!
- **Can an MMC account be created if we use this application?**
- Yes, an ILogin ABE Account can always be created later and account information can be linked in MMC.

Submitting a Ticket for ILPartner or ILogin Account Assistance
