In order to be respectful of everyone's time, the Hospital Transformation Review Committee will cancel their next meeting [on October 17th at 10:30 am](#). We have had no stakeholders request time for making presentations with new information for the Committee, and both the IHA Transformation Task Force and Safety Net Association/SEIU Transformation Group have requested more time to develop their respective proposals.

The next Hospital Transformation Review Committee meeting will be in November. A date and time for the November meeting will be announced in the coming weeks.
