

Self-Paced Courses

1 Sign in to your MTAC Learning Center account.

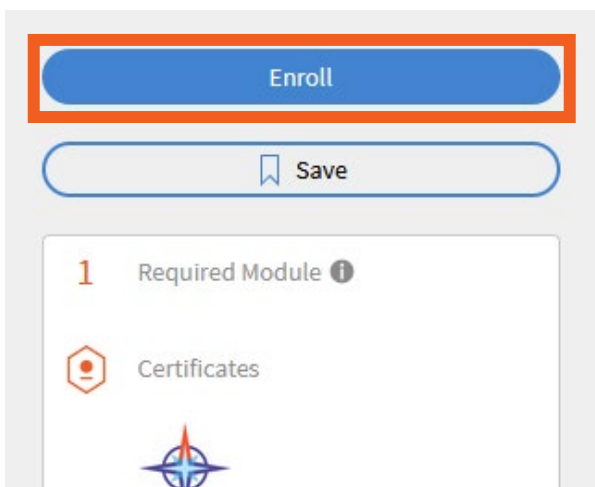

2 Navigate to "Catalog" in the menu on the left.

3 Inside the catalog, on the left side, there are "Tags" that filter courses. For self-paced courses ensure that both "Courses" and "Self Paced" are selected.

4 Select your desired self-paced course, then click "Enroll"

5 Once enrolled, the course will begin automatically, or click "Start" on the course page to begin the course.

6 Once all modules are complete, select the survey link at the end of the course to generate a certificate of completion. You can find your generated certificates in the left menu.

7 Should you need to cancel your registration please visit the course page and select "Unenroll from Course." at the bottom of the right column.
