The Illinois Department of Healthcare and Family Services (HFS) proposes to amend the Home and Community Based Services Waiver (HCBS) for the Adults with Developmental Disabilities – IL 0350. Changes in the amendment include:

1. Implements legislation requiring rate increases for residential habilitation, supported employment, and direct support professionals (DSPs).
2. Implements a change in the average daily rate for 24-hour stabilization services to reflect a change in calculation methodology that accounts for all available beds, as opposed to reported occupants.
3. Implements legislation for an increase in the home-based support budget limit.
4. Change the sampling approach for Performance Measures I1 and I3 from 100% to Representative Sample with 95% confidence level with a +/- 5% margin of error.
