

**PROPOSED CHANGES IN METHODS AND STANDARDS FOR ESTABLISHING
MEDICAL ASSISTANCE PAYMENT RATES**

**STATE OF ILLINOIS
DEPARTMENT OF HEALTHCARE AND FAMILY SERVICES**

Date: December 29, 2025

The Illinois Department of Healthcare and Family Services (HFS) is proposing changes in the methods and standards by which the Department will reimburse providers. The proposed change is effective for dates of service on or after January 1, 2026.

Pursuant to [Public Act 104-0009](#), the Department is proposing to increase rates for long-term electrocardiogram monitoring services to 80% of the Medicare rate.

This proposed change is anticipated to increase expenditures by \$50,000 annually for services provided through fee-for-service or through managed care organizations. The proposed change is subject to approval by the federal Centers for Medicare & Medicaid Services and may be modified or revised during the approval process.

Any interested party may submit questions or comments concerning these proposed changes in reimbursement methods and standards. Comments received regarding this notice shall be published on the HFS web site at <https://hfs.illinois.gov/info/legal/publicnotices.html>. It is recommended to include the name of the public notice in the subject line. All questions or comments must be submitted in writing within thirty (30) days of the publication date of this notice and addressed to:
