<b>Add-On</b>	<b>Surg</b> The amount added to the state maximum when the procedure is performed in the practitioner’s office. This amount covers such items as casting and surgical supplies.  <b>Child</b> The amount added to the state maximum for services rendered by practitioners enrolled in the Maternal Child Health program.  <b>Adult</b> The amount added to the state maximum for services rendered by practitioners enrolled in the Maternal Child Health program.
<b>Rate reduced by 2.7%</b>	Maximum amount payable after 2.7% rate reduction per the SMART Act (PA097- 0689). Exempt: Physicians, Physician Assistants, Dentists, Advanced Practice Nurses, Community Mental Health Providers, FQHCs, RHCs, ERCs, LEAs, DORS Schools, School-based Clinics, Local Health Departments, and Early Intervention.

\*Please refer to the August 12, 2019 [provider notice](#) regarding changes to vaccination billing requirements. Effective September 1, 2019 the Department requires that providers administer vaccines obtained through the VFC Program to all children enrolled in HFS’ medical programs. Effective September 1, 2019, providers will no longer be reimbursed for the cost of privately purchased vaccines for CHIP and state-only funded children if the vaccine is available through the VFC program.

\*\*Please refer to the November 24, 2021 [provider notice](#) regarding final phase-out of paper claim billing, and for instructions regarding the Attachment Upload Portal. Effective with claims received on and after December 15, 2021, the Department will no longer accept paper claims.

\*\*\*The description/note field is the “procedure literal description” field for MEDI DDE claims, or the Loop 2400 NTE segment on electronic transactions.
