Dear <Member Name>,

We want to share some important information about your Medicaid Managed Care health plan.

Community Care Alliance of Illinois will not be participating in the Illinois Medicaid Managed Care Program after October 31, 2017. Community Care Alliance of Illinois is partnering with another Medicaid plan, CountyCare. **On November 1, 2017 you will be a CountyCare member.**

#### What does this mean for you?

- You do not need to do anything about this change.
- You will get your health care services and prescription drug coverage through CountyCare beginning November 1, 2017.
- Beginning November 1, 2017, you will need to see providers who are part of the CountyCare network, including dentists, eye care providers and other specialists. For information about providers who are part of the CountyCare health plan, call CountyCare Member Services at 1-312-864-8200 (TTY:711, select option 2) or visit <http://www.countycare.com/members>.
- CountyCare will make every effort to keep you with the same Primary Care Provider (PCP) you have now. **If you want to change your PCP, you may do so at any time.** Just call CountyCare Member Services at 1-312-864-8200 (TTY:711, select option 2) or visit <http://www.countycare.com/members>.
- CountyCare has Care Coordinators. Care Coordinators work with you to make sure you get the care you need, when you need it. You can request a Care Coordinator. Call CountyCare Member Services at 1-312-864-8200 (TTY:711, select option 2) for more information.
- Some services may require prior approval. CountyCare will work with you to get the care and services you need.
- CountyCare will send you a welcome packet. This welcome packet will include a member handbook. Make sure to read your member handbook. It will give you more information about your new plan and the extra benefits they offer.
- You will also receive a CountyCare Member ID Card. You will use your new ID Card starting November 1, 2017.

Until then, you will continue to be covered by Community Care Alliance of Illinois for all your current benefits. This means:

- There will be no change in your medical or prescription drug coverage.
- You should continue to make appointments and meet with your doctors as you normally do.

**Sample CCAI Member Notice**

- You should keep working with your care coordinator to get the care and services you need.
- You will keep getting your plan-covered drugs as prescribed by your doctors.

**Please keep this letter.** If you need medical services after November 1, 2017, take your HFS medical card and your CountyCare Member ID Card with you to all appointments.

If you do not want to stay in CountyCare, you have 90 days from November 1, 2017 to change health plans. If you do not make a change, you will stay enrolled with CountyCare until your annual open enrollment period. To learn more about your health plan options, or to pick a new health plan, call Illinois Client Enrollment Services at 877-912-8880 (TTY: 866-565-8576) or visit [www.EnrollHFS.illinois.gov](http://www.EnrollHFS.illinois.gov).
