- Choose the option for ILLINOIS CHILD SUPPORT ESTIMATOR;
- Then, choose the version for PROFESSIONALS/ATTORNEYS;
- On the top right of the page you will see MOBILE/OFFLINE VERSION;
- Click on this option and it will take the user to the mobile version that functions w/ or w/o an internet connection.
- On the top right of the screen, you will see a QR code. You can scan this to your phone/tablet (not all QR readers will read this large of a code, as there is a lot of data compressed into this little guy, I know that “RedLaser” works well for iPhone/iPad as does “Lightning QR” for Android devices) while this is up on your PC and bookmark the page or keep it in your recent history on your device.

- **New Business – Committee Members**

Uniform Support Order. The Chair indicated that she would like the committee to work on the Uniform Support Order. Irene Curran indicated that Yvette Perez Trevino and Irene were working with the SAO to create a temporary order until the Supreme Court creates a new form based on income shares.

- **Public Comment – Members of the Public**

A member of the public asked when the tables will be updates. HFS staff responded that the timeline is not yet known.

A member of the public asked why there are two calculations. HFS staff responded there is only one calculation, but it is displayed in three formats – one for parents, one for title IV-D legal representatives, and one for private attorneys and judges.

A member of the public asked about Administrative rules. HFS staff responded the Rule changes are in progress but the statute is in place.

A member of the public asked about withholding for child care. HFS staff responded that child care withholding is not covered by Title IV-D.
