	<b>7</b> Multi-Family Adjustment without Order:  (Lesser of amount paid or 75% of the support that should be paid based solely on requesting parent's income.)  # child(ren) for (NAME A)  # child(ren) for (NAME B)	7	\$0.00	\$0.00
	<b>8 Adjusted Net Income</b> (Add each parent's line 4 to line 2 or 3, then subtract line 5, line 6, and/or line 7 from that sum to determine his/her adjusted net monthly income to be used in the following steps. Next, add 8A and 8B to determine 8C.)	8	\$0.00	\$0.00
<b>Computation of Basic Child Support Obligation</b>	<b>9</b> Each Parent's Percentage Share of Adjusted Net Income (Each parent's line 8 divided by 8C.)	9	0.00%	0.00%
	<b>10</b> Basic Child Support Obligation Based on Combined Adjusted Net Income (Using 8C, find the corresponding combined net income on the Schedule of Basic Child Support Obligations.)	10		\$0.00

	<b>11 Each Parent's Contribution toward the Basic Child Support Obligation</b> (Line 10C multiplied by each parent's line 9.)	<b>11</b>	<b>\$0.00</b>	<b>\$0.00</b>	
<b>Health Insurance Coverage</b>	<b>12</b> Cost of Child's Health Insurance Premium (Actual amount of the total health insurance premium attributable to the subject child, placed in the column of the providing parent.)	<b>12</b>	\$0.00	\$0.00	
	<b>13</b> Each Parent's Share of the Child's Health Insurance Premium (Line 12A or B multiplied by each parent's line 9.)	<b>13</b>	\$0.00	\$0.00	
<b>*Other Expenses</b>	<b>14 *Extraordinary Extracurricular Activities and School Expenses</b> (Basic extracurricular activities and school expenses are included in the Schedule of Basic Child Support Obligation. Total cost entered in 14C. Then, to determine each parent's share, multiply 14C by each parent's line 9.)	<b>14</b>	<b>\$0.00</b>	<b>\$0.00</b>	<b>\$0.00</b>
	<b>15 *Child Care Expenses</b> (Total cost entered in 15C. Then, to determine each parent's share, multiply 15C by each parent's line 9.)	<b>15</b>	<b>\$0.00</b>	<b>\$0.00</b>	<b>\$0.00</b>
<b>Child Support Obligation</b> (If insurance is provided by the parent who is the obligor, then the obligee's share of health insurance from line 13 is subtracted from the obligor's line 11, unless obligee net income (line 2 or 3) is less than 133% of Federal Poverty Guidelines, with the resulting amount appearing at right. If insurance is provided by the parent who is the obligee, then the amount at right is line 11. The obligor's share of health insurance from line 13 will appear below and be ultimately added to the obligation. Also, when the obligor's gross income is at/below 75% of Federal Poverty Guidelines, the support amounts on lines 10 and 11 are set by default per Illinois legislative minimum support guidelines.)			<b>\$0.00</b>	<b>\$0.00</b>	
<b>Health Insurance Obligation</b> (If insurance is provided by the parent who is the obligee, then the amount at right is his/her line 13 and is ultimately added to the obligation, unless the obligor's net income (line 2 or 3) is less than 133% of Federal Poverty Guidelines. If insurance is provided by the parent who is the obligor, then the obligee's share of health insurance from line 13 is subtracted from obligor's line 11 with the resulting amount appearing as the Child Support Obligation and zero at right.)			<b>\$0.00</b>	<b>\$0.00</b>	

Calculation completed

\*Although depicted above, items listed in the Other Expenses section (Extraordinary Extracurricular Activities and School Expenses and Child Care Expenses) are NOT included in the amounts shown as Child Support Obligation or Health Insurance Obligation. The court, in its discretion, may order either or both parents to contribute to these Other Expenses.
