

Integrated Care Program Update
November 16, 2011

The two finalized ICP contracts with Aetna Better Health and IlliniCare Health Plan were signed April 28, 2011 and are available online at <http://www.hfs.illinois.gov/managedcare/>

Enrollment Data

- The department began mailing enrollment packets during March 2011, and the first enrollees to receive health care benefits through the program began May 1, 2011.
 - As of November 16, 2011:
 - 36,979 individuals are enrolled in ICP. The begin date of coverage for these enrollees varies, depending on the date the members enrolled (some will begin coverage December 1, 2011 or January 1, 2012).
Of these 36,979 individuals:
 - 18,457 (50%) will be Aetna Better Health members
 - 18,522 (50%) will be IlliniCare Health Plan members.
- These enrollees reside in suburban Cook, DuPage, Kane, Will, Kankakee and Lake Counties.
- All enrollees the Department originally identified as eligible for ICP have received ICP enrollment material, including residents living in Long Term Care facilities and State-Operated Developmental Centers (SODCs).
 - As new individuals become eligible for the program, new enrollment packets are sent out.
